

Welcome to Legacy Ballet

Legacy Ballet offers classes in Ballet, Jazz, Hip Hop, Contemporary, Tap and Tumbling for ages 3 through Adult.

Students aspiring to be professional dancers or students who just want to enjoy the passion of dance are all welcome at Legacy Ballet.

Our goal is to provide to our students the tools to expand their knowledge of dance technique, and to also share our love and passion of dance with not only our students but to the surrounding community.

The Legacy

Legacy Ballet takes great pride in being a community partner that takes big leaps to help the Performing Arts in Albany grow. December 2012 was our debut performance of our first full length production of "The Nutcracker" in partnership with Linn Benton Community College and The Russell Tripp Performance Center. Performance opportunities through out the year include a Holiday Showcase, a full-length Nutcracker, a June recital, and a Summer Showcase in August. The Performing Arts are a vital part of any community and so important to our youth as they grow in our community. The Arts teach us to live with Passion!

Join us as we continue to grow and become a part of a Legacy!

Heather began dancing 30 years ago under the instruction of Tom Irwin at Corvallis School of Ballet then later with Shelly Svoboda when it became Regional School of Ballet. At the age of 11, she began to study with the Eugene School of Ballet under Toni Pimble, Riley Grannan, Susan Zadoff, and Sarah Lombardi. She spent two winter seasons dancing the role of "Clara" on tour with the Eugene Ballet Company. Her training as a dancer was not limited to just ballet and also included training in Jazz, Modern, Hip Hop, Character and partnering at summer dance intensives at Eugene Dance Pursuit, Ballet Aspen, Royal Winnipeg School of Ballet, and JoAnna Kneeland & Mary Price Boday's Dance Kinesiology. Heather worked for 10 years in the medical field as a Certified Medical Assistant and also a PT aide, working with specialists in orthopedics and physical medicine. Her training there has developed her knowledge of body mechanics and how the body should move while dancing. Heather still continues to dance, when she has a chance, and will occasionally be seen performing on stage with her dancers. Heather teaches many of the Ballet classes through out the week. Heather resides in Albany with her husband, Brandon and their daughter, Rebekah. Heather feels that every dance instructor in her past has taken part in giving her a wonderful gift, one that she loves passing on to aspiring dancers.

Legacy Ballet requires that our instructors follow the same teaching philosophy, and we strive on communication between the dancers, their families, and our staff. It is a vital part as our dancers continue to progress through their training. For more information on the faculty at Legacy Ballet, please visit www.legacyballet.com

"I see the dance being used as a means of communication between soul and soul - to express what is too deep, too fine for words."

- Ruth St. Denis

*"Learning to walk set you free-
learning to dance gives you the
greatest freedom of all: to express with
your whole self the person you are."*
